

**SUNDAY**  
ULTRA-DWARF BERMUDAGRASS™

Exclusive Production

Certified Varieties

Sunday is an Ultra-dwarf “greens” type bermudagrass, finer-textured than Tifdwarf. Sunday provides a very consistent, high quality putting surface. In addition, the color of Sunday Ultra-Dwarf Bermudagrass is monolithic providing a highly aesthetic green putting surface. Sunday has successfully been installed on multiple courses with very positive feedback on its color and reduced maintenance.

## CHARACTERISTICS

<b>AESTHETICS</b>	<b>Use</b>	Golf, croquet, landscaping with high maintenance
	<b>Colour</b>	Light Green (Year-Round)
	<b>Blade width</b>	Very Fine
	<b>Yellowing/ Winter discolouring</b>	Latency from 10-12°C
